Do you want to get your child involved in a positive atmosphere where they can learn sportsmanship and have fun? The wrestling staff at Grove City High School is dedicated to bringing out the enjoyment of youth wrestling through positive motivation.

The team will participate in the Central Ohio Buckeye Youth Wrestling Association (COBYWA) league again this year. The league is looking at breaking away from the schools outside of Columbus. This should eliminate the longer travel times. The fee includes the Little Dawg's Club, team t-shirt, COBYWA league fee's, insurance, membership to OURWAY and entrance into 5 wrestling events. More info will be available at our meeting and club practice.
